RE: Inspection conducted on October 08, 2026
AFIN 52-00069
Permit Number 0006-STSW-B

Dear Mayor Young,

The Arkansas Division of Environmental Quality Office of Land Resources (DEQ) conducted a routine inspection of your facility pursuant to the Arkansas Solid Waste Management Act (Arkansas Code, Annotated, § 8-6-201 *et seq*.), of 1971, as amended, the Arkansas Pollution Control & Ecology Rule, codified as 8 CAR § 60 (Solid Waste Management Rules), and the above-referenced permit. The inspection identified conditions at your facility which the DEQ alleges are violations. A copy of the inspection report is attached.

You should immediately initiate actions to correct the alleged violations cited. A written response of the corrective actions taken, or to be taken, must be submitted within thirty (30) calendar days from the date on this letter to the attention of Matt Greenwood. The response may include, but is not limited to, photographs, copies of disposal receipts, records, or analytical results, as applicable. If I can be of any further assistance, please do not hesitate to contact me at (501) 837-6915 or Matthew.Greenwood@arkansas.gov.

Sincerely,

Matthew Greenwood
Solid Waste Inspector

cc: Ryan Hayden, E&E Program Manager, Office of Land Resources
