Subject: Overdue Progress Report

Hello,

I am reaching out regarding an overdue progress report for the City of Nashville [AR0021776], per CAO LIS 23-080. A quarterly progress report was due by **6/15**. To date, it has not been submitted to me. Please submit this documentation to water-enforcementreport@adeq.state.ar.us.

Also, I am trying to ensure my facilities are aware that my final day with DEQ is July 25th. After that date, contact one of the following for assistance:

- water-enforcementreport@adeq.state.ar.us
- Enforcement General Line: 501-682-0624
