MEMO TO FILE

Division of Environmental Quality, Office of Water Quality

Date: December 3, 2025

Permittee: Clarksville Connected Utilities - Pollution Control Facility

**Permit
Number:** AR0022187

Subject: DMR Review October 1, 2021, through September 30, 2024

The Office of Water Quality Enforcement Branch reviewed the discharge monitoring reports (DMRs) submitted for the reporting period beginning October 1, 2021, through September 30, 2024, and determined that there were no violations that necessitated formal or informal enforcement action.
