RE: City of Blytheville – CAP Completion Notification
NPDES Permit No. AR0022578 & AR0022586
Consent Administrative Order LIS 20-166 & CAO LIS 21-175-001

Ms. Touns:

This letter is intended to serve as an update to the Blytheville wastewater treatment facility construction progress and compliance status with their corrective action plan.

Construction of the new SBR and rehabilitation of the north plant biolac facility has been completed and operational issues resolved. All items contained within the corrective action plan have been completed and the facilities are in compliance with effluent permit limits.

Should you have any questions or require additional information please contact me at 501-221-7122 or bwingfield@pmico.com.

Sincerely,
PMI, A Terracon Company
