MEMO TO FILE

Division of Environmental Quality, Office of Water Quality

Date: December 3, 2025

Permittee: Paragould Light and Water Commission

**Permit
Number:** AR0033766

Subject: DMR Review October 1, 2021, through September 30, 2024

The Office of Water Quality Enforcement Branch reviewed the discharge monitoring reports (DMRs) submitted for the reporting period beginning October 1, 2021, through September 30, 2024, and determined that there were no violations that necessitated formal or informal enforcement action.
