RE: 2017 Annual Report Evaluation, City of Tontitown
Permit Number ARR040049 – AFIN 72-02164

Dear Mayor Colvin:

The 2017 annual report required by Part 4.3 of the Small Municipal Separate Storm Sewer Systems (MS4) General Permit ARR040000 was received on May 30, 2018. The annual report has been reviewed.

It should be of note that Part 3.2.6.4 of the permit states, “Annual inspections for all municipal facilities not requiring industrial stormwater permit coverage are required for municipal facilities performing maintenance activities on mechanical equipment, facilities with fueling stations, facilities involved in waste storage, transfer or recycling, facilities with material stockpiles, and facilities storing fertilizers or pesticides.” Based on the information provided in the annual report, this requirement was not met in 2017.

If you have any questions concerning this matter, please feel free to contact me at (501) 682-0626 or email me at ahrendsen@adeq.state.ar.us.

Sincerely,
