PERMIT
FOR THE CONSTRUCTION AND/OR OPERATION OF A SOLID WASTE DISPOSAL FACILITY
CLASS IV

Permit No. 0264 EFFECTIVE DATE December 9, 1992

Perry County
Perry County Courthouse
Main Street
Perryville, AR 72126

c/o Judge George McNeal

This permit is your authority to construct and/or operate the Solid Waste Disposal Facility set forth in your application dated September 21, 1992. This permit is issued pursuant to the provisions of the Arkansas Solid Waste Management Act (Act 237 of 1971; Sec. 82-2701 et seq., Ark. Stats.), hereinafter called the "Act", the Arkansas Solid Waste Management Code, hereinafter called the "Code", and all other applicable rules and regulations of the Department of Pollution Control and Ecology, hereinafter called "Department", and the following terms and conditions:

1. The disposal facility shall be constructed, maintained, and operated in accordance with the final plans and specifications as approved by the Department and in compliance with all applicable provisions of the Act, the Code, and all other applicable rules and regulations.

2. This permit shall automatically terminate unless construction of the disposal facility has been commenced within N/A day(s) of the date hereof and completed with all reasonable diligence. The Department shall be notified in writing when the disposal facility has been completed in order that it may be inspected.

3. The disposal facility shall be operated by qualified personnel and maintained in good operating condition at all times.

4. This permit may be revoked or modified whenever, in the opinion of the Department, the facilities are no longer in compliance with the Act, the Code, and applicable rules and regulations. This permit shall not relieve the permittee, its agents or employees, from compliance with all provisions of the Act and the Code.

5. Nothing herein contained shall be construed as releasing the permittee from any liability for damage to persons or property by reason of the installation, maintenance, or operation of the disposal facility.

6. This permit is issued in reliance upon the statements and representations made in the application and the plans and specifications and the Department has no responsibility for the adequacy or proper functioning of the disposal facility.

PLEASE SEE ATTACHED SHEET FOR ADDITIONAL CONDITIONS.

7. This permit shall expire when the four acre disposal area described in the final engineering plans has been filled to design capacity and is closed out in accordance with the provisions of the Arkansas Solid Waste Management Code as Amended. Post closure maintenance and monitoring will be a minimum of two years after closure.

8. This facility is for the disposal of Class IV non-putrescible waste only. Any disposal of solid waste at this site covered by Resource Conservation and Recovery Act (RCRA) - Subtitle D will be grounds for immediate voidance of the permit.

9. Seeding and soil stabilization shall be conducted in the spring and fall on all exposed surfaces. Furthermore, vegetation shall be established immediately after final elevations are completed.

10. The owner/operator shall contact the Department's Water Division regarding the need for a storm water runoff permit.

11. The owner/operator shall at a minimum of once per year have the site surveyed to verify that the operation is being conducted within the bounds and elevations of the permit.

12. Vegetation shall be mowed at least semi-annually or more frequently to ensure the establishment of good vegetation growth and allow for inspection of final cover maintenance.

13. The amount of financial assurance required is $6,000. The instruments used must be in the exact form set forth in Appendix "B" of the Code and must be filed with the Department before the permit can be effective.

14. Waste disposal operations at this site shall not commence until the permit modification/transfer fee in the amount of $250.00 is received and acknowledged by the Department. This fee shall be submitted in accordance to Section 10 of Regulation No. 9: Permit Fees. Failure to pay annual permit fees when due may result in revocation of this permit.

15. Proper preparation of this site shall be viewed and reported to this Department by the county surveyor prior to placement of any additional waste in the landfill. Please note condition eleven (11).
