Dear Judge Mahoney,

The Division of Environmental Quality Office of Land Resources (DEQ) has reviewed the revised Phase 3, Cell 1 Construction Quality Assurance (CQA) certification report and Notice of Deficiency response submitted on December 24, 2025, for the Garland County Cedar Glades Class 4 Landfill. After review, an additional deficiency was identified.

With the addition of Phase 3-Cell 1, DEQ estimates the total acres of disposed waste not under final certified cover is 26.3 acres. The cost estimate provided with the 2024 Annual Engineering Inspection Report is for fewer acres. An updated cost estimate as required by 8 CAR § 60-1402 (a) and a hardcopy of the financial assurance mechanism documents as required by 8 CAR § 60-1402 (b) must be submitted to DEQ within thirty (30) calendar days from the receipt of this letter. Should you have any questions or concerns, please feel free to contact me at (501) 682-0861 or email at Richard.Bennett@arkansas gov.

Sincerely,

Richard Bennett
