CAUTION: External Email

Mr. Bennett

Garland County will be done with the second working face as 7-17-2026. Thank you for your help in this matter.

Mr. Bennett:

As you and I just spoke about DEQ email addresses being changed. The email I send was to the old emails address. Besides Mr. Issacs. we was unaware of this change to Arkansas.gov
Not ar.gov

Also in the first email I missed spelled County
And the second email please make the change to the Phase 5 cell 1 not Phase I cell 5

Garland County landfill would like to extend the 2nd working face for bedding of the liner for 60 more days in Phase 5 cell 1 to complete the bedding of the liner. please forward this NOI string to any appropriate personnel

Thank you have a great day

Garland County landfill

Please receive this NOI to have two working faces for 90 days from 3-26-2026 working face Phase 3 Cell 1 and working face Phase 5 Cell 1 will be open

Please forward this email to anyone that may need a copy of this for their records

Thank you for your time
